

	CLINIPATH PATHOLOGY	BUNBURY PATHOLOGY	GPHLE-010
	Authorised AS4308:2008 Drug Screen Collection Sites		
	Version: 1.0.E 19-Dec-2011		

If you require collection and testing of urine for drugs of abuse to comply fully with AS4308:2008, the samples need to be collected by nationally accredited collectors. Clinipath Pathology has a number of staff trained to this level in our collection centres. For Saturday collections, please contact the required centre prior to testing to ensure a suitably qualified pathology collector is on site.
